

East Tennessee Cyber Security Summit

October 12-13, 2011

Downtown Hilton Hotel – Knoxville, Tennessee

**A 2-day conference for regional IT professionals in academia, government, law,
and private industry**

From the Boardroom to the Court Room

This year we are pleased to include speaker topics that include:

- Cyber risk in SCADA security
- Upgrade to the SP 800-53 Security Controls catalog
- Real-world examples of decisions that were made in the Boardroom that impacted events in the courtroom
- The recent cyber event at ORNL
- Malware forensics

Please check out our web site for more information on speakers and breakout sessions

www.etcss.org

In a year filled with breaches, persistent attacks, complex malware and hacktivism, we bring our attendees presentations and technical breakout sessions that provide information, techniques and tools to prepare them to make the best decisions to protect their data and systems.

Registration is now open!!

An early registration fee of \$125 per person will cover conference admission and include:

- ~16 hours of Continuing Professional Education units,
- Learning from and networking with your colleagues,
- Lunch and parking for both days of the conference, and
- A special accommodation rate for conference attendees at the downtown Knoxville Hilton.

Register at www.etcss.org
